The Lions Community of Clubs

The Orrville Lions Club is part of the World's largest service club organization, Lions Club International, which has over 1.35 million members in 46 thousand clubs and in more than 200 countries and geographic areas.

Lions Clubs were founded in Chicago, Illinois, in 1917, by businessman Melvin Jones. Since its inception, Lions Clubs International has been dedicated to helping those less fortunate in their communities and around the world. In 1925, Helen Keller challenged the members to be "knights of the blind." "We Serve" became the association's official motto in 1954 .
